*PLEASE NOTE* The Commission is in the process of updating applicant handbooks. While the information is still accurate in the current versions, you may notice that some links are broken.

All current applicant information is on our website. However, for those who prefer or want the essential website information in one downloadable document we have compiled the website information into the following two reference documents.

- Renewal Applicant Handbook: It contains essential instructions on accreditation renewal into one document for your convenience. The most recent update is December 2018.
- First-Time Applicant Handbook (for 2020 first-time applicants). For more information and a timeline please see the First-Time Accreditation section of the website.
