

We're ready to celebrate accreditation at the [Land Trust Alliance Rally 2021, National Land Conservation Conference](#)! We hope you will join the Commission (virtually!) as we recognize and congratulate the accredited land trust community's achievements from the past year.

### Can you help make the celebration of accreditation extra-special this year?

Add your message of gratitude, congratulations and inspiration to our virtual congratulations board. As part of our Rally 2021 program, we want to support and acknowledge all of the hard work accredited land trusts have accomplished over the past year. Even though we cannot be together in person, we want to gather our voices and give a cheer to all! We encourage you to share this with your staff, volunteers and board members. **Thank you for being a community where we support each other and celebrate conservation excellence!**
