   If yes, revise the Schedule of Dedicated and Restricted Funds information.

   Documentation of stakeholder notification of public comment period

**NOTE: Basic-Level Related Entity Provides This Information as Part of Application (if applicable)**
- Land Conservation Project List(s)
- Statement describing the nature and purpose of the relationship between the primary organization and the related entity
- Written documentation that provides evidence of which organization has the responsibility for stewardship of the conservation fee properties or conservation easements
- Articles of Incorporation
- Current bylaws
- List of current board members
- Schedule of Dedicated and Restricted Funds, if the related entity holds funds

**NOTE: Intermediate-Level Related Entity Completes a Renewal Application in Addition to This Supplemental Information (if applicable)**
- Statement describing the nature and purpose of the relationship between the primary organization and the related entity
- Statement describing how it is determined which entity takes a particular project
- Evidence documenting any shared compliance for the governance requirements (such as memorandum of agreement, attestation, board resolution)
Description of how money, if any, is transferred from one organization to the other and how this is tracked

If the related entity relies on the primary organization for covering expenses related to conservation easement or conservation fee property stewardship and defense, then a written agreement that formalizes this cost-sharing role

If the related entity is not a land trust member of the Land Trust Alliance, provide a board resolution adopting the 2017 Land Trust Standards and Practices

Schedule of Dedicated and Restricted Funds, if the related entity holds funds

Expectations for Improvement

The Commission will populate your renewal application with any Expectations for Improvement (EFIs) received by your land trusts as part of its previous accreditation or any interim compliance confirmation. For each EFI, your land trust will be required to include the following attachments.

- A statement describing how and when the EFI was addressed
- Corresponding documentation that shows how the EFI was addressed

b) Purchase price documentation (such as purchase and sale agreement, engagement letter, closing statement)

T4. If your land trust paid above appraised value for a land or conservation easement over accredited term: Evidence justifying the purchase price for the most recent transaction purchased at above appraised value and documentation that there was no private inurement or impermissible private benefit (such as with contemporaneous trend data for market appreciation, range of value of similar purchases, market factors not covered in the appraisal)

T5. If your land trust uses a conservation easement template: Conservation easement template

T6. If your land trust completed projects where a landowner took a tax deduction over the accredited term: Template for written donor notification of tax code requirements (or most recent example) along with statement of when the notification is typically provided

T7. If your land trust has an isolated or rare instance when it was not able to show compliance with the requirements in the Transactions section over the accredited term: Statement and/or related documentation explaining a) the circumstances, b) the alternative steps your land trust took to meet the intent of the requirement and/or mitigate risks associated with the non-compliance and c) how your land trust typically complies with the requirement (The Commission will review the information to determine if the instance was isolated and rare and risks were reasonably mitigated.)

Stewardship

Application Questions
1. Does your Land Conservation Project List include one or more conservation easements?

2. Did your land trust have an instance when it was not able to show compliance with the requirements in the Stewardship section over the accredited term?
   □ yes  □ no

   If yes, include S5.

Application Documents
S1. Recent example of how your land trust documented (such as with a monitoring report, baseline supplement or current conditions report) a significant change to the land (such as resulting from natural disaster or exercise of a permitted right) or change to the conservation easement (such as resulting from an amendment)
   □ If your land trust has had no such changes to document, provide a statement of that fact and provide a statement of how it would document such changes in the future.

S2. Conservation Easement Violation Policy and/or Procedures
S3. Conservation Easement Amendment Policy and/or Procedures
S4. Recent example of your land trust’s conservation easement stewardship records related to a notice, approval, denial, substantive interpretation, or the exercise of a significant permitted right. Include the conservation easement deed, the landowner’s request/notice and your land trust’s response to the landowner (such as a landowner’s notice to the land trust of the intent to build a permitted barn, the land trust’s correspondence with a landowner denying a requested activity be allowed on the property).

   o If your land trust has had no such activities to document, provide a statement of that fact and a statement of how it would document such activities in the future.

S5. If your land trust has an instance when it was not able to show compliance with the requirements in the Stewardship section over the accredited term: Statement and/or related documentation explaining a) the circumstances, b) the alternative steps your land trust took to meet the intent of the requirement and/or mitigate risks associated with the non-compliance and c) how your land trust typically complies with the requirement (The Commission will review the information to determine if the instance was isolated and rare and risks were reasonably mitigated.)
