Overview of Land Conservation Activities for the related entity				
a.	Number of conservation easements now held by the entity:			
b.	Number of conservation easement <u>acres</u> now held by the entity:			
c.	Number of conservation fee properties now held by the entity:			
d.	Number of conservation fee property <u>acres</u> now owned:			

#### Finance Questions for the related entity

- 1. What are your land trust's total anticipated operating expenses for its current fiscal
- 2. What are your required Legal Defense Reserves as determined by your completed Legal Defense Reserves Calculator (right-click and select save link as). If your organization operates in more than one state, please use the Multiple State Legal Defense Reserves Calculator.

Using the results from your land trust's completed Legal Defense Fund Reserves Calculator, does your land trust have the necessary board-designated or restricted defense funding?

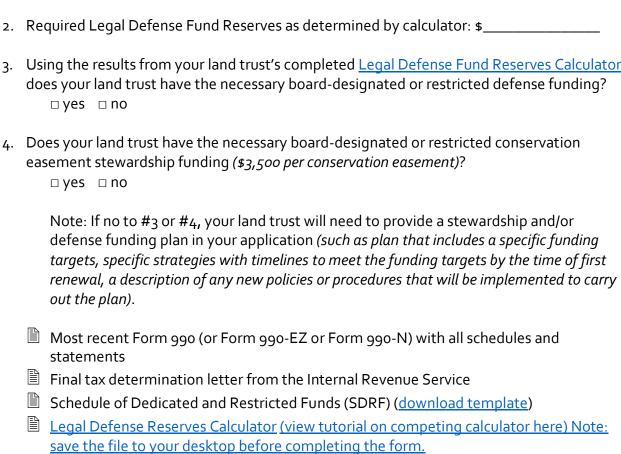

### Governance

1. Has your land trust had a land or conservation easement transaction (acquisition, sale,

ar	dment, violation) with an insider in the past five years? yes □ no
	If yes, then describe each land or conservation easement transaction (acquisition, sale, amendment, violation) with an insider over the last five years and include for each:
	a. The name of the insider;

- b. Insider's relationship to the land trust;
- c. Date of the transaction;
- d. Description of the transaction; and
- e. Description of how private inurement was avoided
- 2. Has your land trust completed a financial transaction (such as contracts for legal or bookkeeping services, rental payments, purchases of goods or services, loans) with an insider in the past five years?

	<ul> <li>□ yes □ no</li> <li>If yes, then describe each financial transaction with an insider over the past five years and include for each: <ul> <li>a. The name of the insider;</li> <li>b. Insider's relationship to the land trust;</li> <li>c. Date of the transaction;</li> <li>d. Description of the transaction;</li> <li>e. The dollar value and how the value was determined; and</li> <li>f. Description of how private inurement was avoided</li> </ul> </li> </ul>
	Finance
1.	What are your land trust's total anticipated operating expenses for its current fiscal year \$
2.	Required Legal Defense Fund Reserves as determined by calculator: \$
3.	Using the results from your land trust's completed <u>Legal Defense Fund Reserves Calcula</u>

# Stewardship

1.	In the past five years, have any of your land trust's conservation easements been violated or is your land trust continuing to address older unresolved conservation easement violations?  □ yes □ no
	<ul> <li>If yes, then describe each violation and include for each:</li> <li>a. The nature of the violation;</li> <li>b. How and when the issue was discovered, documented and investigated;</li> <li>c. Who was involved at major steps in the violation process, including the role of the board and any co-holders; and</li> <li>d. How the violation was resolved (or if unresolved, the steps being taken to resolve it)</li> </ul>
2.	In the past five years, have you had any ownership challenges on your land trust's conservation fee properties or is your land trust continuing to address older unresolved ownership challenges (such as significant trespass, encroachments, adverse possession claims)?  □ yes □ no
	<ul> <li>If yes, then describe each ownership challenge and include:         <ul> <li>a. The nature of the ownership challenge;</li> <li>b. How and when the issue was discovered, documented and investigated;</li> <li>c. Who was involved at major steps in the process, including the role of the board and any co-holders/owners; and</li> <li>d. How the ownership challenge was resolved (or if unresolved, the steps being taken to resolve it)</li> </ul> </li> </ul>
3.	In the past five years, have any of your land trust's conservation easements been amended?
	<ul> <li>If yes, then describe each amendment and include:</li> <li>a. Who requested the amendment and why;</li> <li>b. How the amendment resulted in a net beneficial or neutral effect on the protected conservation values;</li> <li>c. How your land trust analyzed the potential for private inurement and/or impermissible private benefit as a result of granting the amendment; and</li> <li>d. Who was involved at major steps in the amendment process, including the role of the board and any co-holders</li> </ul>

4.	In the past five years, have any of your land trust's conservation easements been
	extinguished in whole or in part (such as boundary line adjustments or amendments releasing
	land from the conservation easement)?
	□ yes □ no

- If yes, then describe each extinguishment and include:
  - a. Who requested the extinguishment and why;
  - b. How much land was released from the conservation easement and how much, if any, land was added;
  - c. How your land trust followed the conservation easement terms with respect to obtaining judicial review or regulatory review (or obtained written legal counsel determination why judicial or regulatory review was not needed);
  - d. How your land trust analyzed the potential for private inurement and/or impermissible private benefit;
  - e. What steps your land trust took to avoid or mitigate harm to conservation values;
  - f. Whether your land trust obtained any proceeds and how they were used; and
  - g. Who was involved at major steps in the process, including the role of the board and any co-holders
