2022 FIRST-TIME ACCREDITATION REGISTRATION

Overview
Application slots for first-time accreditation in 2022 will be filled via lottery in Summer of 2021. More information concerning number of open slots and dates will be announced in Spring 2021.

Organizations can choose to register for any and all rounds available (TBD). An organization that selects all available rounds (as applicable) will get more than one opportunity to be selected, and must be prepared to meet the pre-application and application due dates for those rounds. If your organization enters the lottery and is not chosen for an application slot in 2022, it is guaranteed a slot in 2023 (the next time that first-time application slots are available).

What Information is Requested at Registration?
The registration form has five sections: eligibility and registration requirements; organization information; accreditation primary contact; related corporations; and Registration Terms of Agreement; these are followed by a payment form.

Eligibility and Registration Requirements
A registrant must be able to respond “Yes” to:
- Are you a U.S.-based 501(c)(3) tax-exempt public charity or quasi-governmental organization?
